## 21-litre induction compatible Pressure Canner and Cooker

**12 YEAR**  
LIMITED WARRANTY

- Designed for easy, confident home pressure canning. The only method recommended safe for canning vegetables, meats, poultry, and seafood.
- Doubles as a boiling water canner for fruits, jams, jellies, pickles, and salsa.

Induction compatible with stainless steel-clad base.

Adjustable regulator maintains 5-, 10-, or 15-pounds pressure.

Instruction/recipe books in French and English included. Easy-to-follow instructions for both canning and pressure cooking, plus recipes and processing times.

- **Works on induction,\* glass, electric, and smooth-top ranges.** Constructed of durable heavy-gauge aluminum with a stainless steel-clad base for fast, even heating.
- **Extra-large size for big canning jobs.** Regular Mason Jar Capacity: seven 1 litre jars, eighteen 500 ml jars, or twenty-six 250 ml jars. Also functions as a large capacity pressure cooker!
- **Air vent/cover lock** allows pressure to build only when the cover is closed properly. Prevents the cover from being opened until pressure is safely reduced. Gives a visual indication of pressure inside the canner.

Liquid Capacity:  
21 L
